

300 Series

Our broadest range of options to address most design and budget needs.

Modular design options from work surfaces, pedestal styles, hutch and storage options enables creative solutions to resolve the most demanding workspace issues.

.....

- ☑ Durable, thermally fused laminate work surfaces feature superior resistance to scratches and stains
- ☑ Quick assembly with pre-assembled components, cases and pedestals
- ☑ Durable PVC edge banding on work surface resists collisions and dents
- ☑ Self-closing Euro-style hinges
- ☑ Full-extension ball bearing drawer slides on file drawers
- ☑ Integrated wire management
- ☑ Meets ANSI/BIFMA standards for safety and performance in place at time of manufacture
- ☑ Commercial quality backed by Limited Lifetime Warranty
- ☑ American made

Mocha Cherry

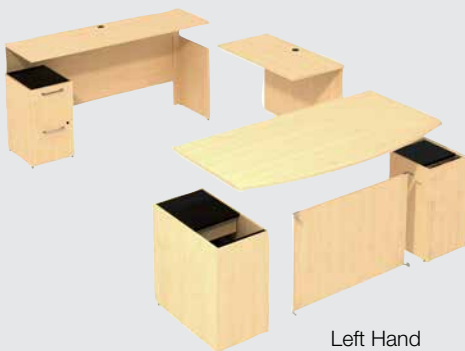

Features

300 Series™ combines your choice of pedestals, work surfaces and modesty panels to create the workspace that is right for you.

The smart design allows for either left or right configurations using the same components.

Work Surfaces

Primary

- ☑ Connects to any 30" Deep Pedestal
- ☑ Constructed of highly durable, 1" thick, 100% thermally-fused laminate
- ☑ Durable impact-resistant 2.0mm edge banding
- ☑ Attaches to any secondary work surface, but DOES NOT connect to other primary work surfaces
- ☑ Pre-drilled for accessories
- ☑ Accepts Articulating Keyboard (Left-Center-Right) position
- ☑ Accepts Drawers center position only

Secondary

- ☑ Attach to any 22" Deep Pedestal and/or End Panel
- ☑ Constructed of highly durable, 1" thick, 100% thermally-fused laminate
- ☑ Durable impact-resistant 2.0mm thick edges
- ☑ Unsupported spans cannot exceed 72"
- ☑ Includes finished back panel and front modesty panel
- ☑ All surfaces include (1) connector panel for connecting back panels together
- ☑ Attach to any Primary or Secondary work surface
- ☑ All secondary surfaces include (1) 2" diameter grommet for wire management in the work surface (except the 36"W, 24"W, 18"W)
- ☑ Pre-drilled for accessories
- ☑ Accepts Drawers center position only, (except 24" and lower)
- ☑ Accepts Medium Track Articulating Keyboard center position only, (except 24" and lower)

Filing/Storage

Upper

- ☑ Upper compartments are fully assembled from the factory
- ☑ Wall-mount options include wall-mount rails, but DO NOT include hardware for securing to the wall
- ☑ All doors utilize high-quality Euro-style hinges
- ☑ Hatches can accept Task Lights
- ☑ Tall Storage overall height (Floor to top) 72"

Lower

- ☑ Fits conveniently under any primary or secondary work surface
- ☑ All file drawers utilize full-extension ball bearing slides
- ☑ All box drawers utilize ¾-extension ball bearing slides

Pedestals

- ☑ All pedestals are non-handed and can be used for right-handed or left-handed installation
- ☑ All file drawers utilize full-extension ball bearing slides
- ☑ All box drawers utilize ¾-extension ball bearing slides
- ☑ Ships fully factory assembled
- ☑ 30" Deep Pedestal File drawers are double depth
- ☑ 30" Deep Pedestals accept any modesty panel
- ☑ 22" Deep Pedestals can be combined with 16" wide pedestal top to make a free-standing desk-height pedestal
- ☑ All pedestals include (1) interchangeable lock set which secure adjacent drawers
- ☑ All drawer locks are keyed alike (contact BBF for information on lock cores.)

Product Warranty

We understand the demands for safety and durability. That's why our materials and construction methods undergo rigorous testing to ensure all of our commercial products meet ANSI/BIFMA standards.

We test:

- Resistance to scratches, stains and abrasions
- Weight load
- Leg strength
- Stability/dislodgement
- Cycle testing on casters, hinges and drawer slides

The result of this attention to quality is a **Ten Year or Limited Lifetime Warranty** on all BBF products. They are also ergonomically correct and compliant with state and federal health and safety guidelines.

Environmental Sustainability

At BBF, we are proud to be good stewards of the environment, taking care to be environmentally conscious from the beginning to the end of our manufacturing process.

Some of our environmental initiatives include:

- **BIFMA level®:** Bush Industries Inc. has received level® 1 certification for several product lines manufactured at our Jamestown, NY facility 
- **CARB:** All BBF products are compliant with CARB (California Air Resource Board) standards for reduced formaldehyde emissions
- **EPP Downstream Program (Composite Panel Association):** More than 50% of panels purchased from EPP sources; board is 100% pre- or post-consumer recycled
- **Energy Reduction:** Reducing electricity consumption and improving machinery efficiency
- **Landfill Reduction:** Diversion of plastic waste away from landfills and improved recycling of plastic, cardboard, tin and scrap metal
- **Corporate Recycling:** Recycling plastic, paper and aluminum cans in our corporate offices
- **Special Sustainability Teams:** Tasked with improving efficiency and reducing waste in our manufacturing processes
