

WIRE DESK

DOWN TO THE WIRE DESK

Be mobile at work when you need it. This mobile wire desk features a sturdy steel frame that makes it the perfect tool for on-the-go jobs. This wire desk was built to be both functional and adaptable. Perfect for small office or home office settings, the black steel frame and powder-coat finish for durability. One sturdy, double-braced shelf for resting feet or light storing supplies. Includes base glides and four swivel casters (two locking) with a Black melamine top.
