

Resi™ Desk

Model # RESDES3060

Heighten your productivity with the modern Resi desk and win every workday. Ideal for the office or WFH'ers, this versatile desk features a durable white laminate worksurface with a knife edge to protect both your surroundings and forearms. The solid maple legs create a contemporary two-tone look that makes it easy to mix and match with other office essentials. Add coordinating mobile storage to neatly stash those high profile project files.
