

Learn Nesting Rectangle Desk

Model # 1227

Ideal for classrooms and testing or media centers, the Learn Nesting Rectangle Desk gives students a flexible work surface to collaborate and innovate in any class size. The flip top worksurface, available in gray or dry erase laminate, saves setup time and permits nesting for compact storage when not in use. Need room to spread out and work? The laminated top provides 28" of ample work area or space to sketch ideas on the fly. Built for heavy usage and continuous movement, the flip top nesting desk accommodates various applications and spaces.

COLORS

Model #	Color	List Price
1227DE	Dry Erase	\$460
1227GR	Gray	\$460

FEATURES

- Rectangular desks nest together to save space, with 5" between desk surfaces when nested.
- Easy-to-use, one-handed mechanism flips desk tops up and down; handles are on either side of the desk.
- Moves easily throughout a space with four casters—two that lock for safety.
- Designed for durability with powder-coated steel frame and high-pressure laminate top.
- Available in Pebbled Grey or dry erase laminate.
- 200 lbs. weight capacity.
- Overall Dimensions: 28" W x 29.5" H 22.25" D.
