

Medina™ Extended-Height Chair

Model # 6827

Take your hard work to new heights in your home office or workplace with the Medina Extended Height Office Chair. Bringing ergonomics and function to standing height desks and drafting tables, Medina adjusts from 22" to 32" for a personalized fit. The breathable mesh back combined with upholstered seat feature built-in flex for all-day comfort that moves with you. Integrated arms and an adjustable foot-ring offer support for arms and legs, while the seat swivels 360 degrees for a full range of motion. Available as a complete family of seating, Medina blends timeless style with ergonomic features to boost productivity everywhere your work happens.
